

I hope you're well.

I'm writing on behalf of my client, the [Turkey-U.S. Business Council](#) (TAIK). As you might be aware, Turkey is looking to restart its domestic and international tourism over the next few weeks; they have also introduced 'healthy tourism certificates' to be issued by the government. In light of this, I'd like to offer up TAIK members in the hospitality/restaurant industries for interview in case you were planning to write a piece. They will be able to provide detailed information on specific measures being taken to ensure that businesses can safely open back up.

Do let me know if this is of interest, or if you have any questions. I'm happy to jump on the phone to discuss.

Best
Zharina
